MEMORANDUM FOR: Director of Training

SUBJECT : Mobile Audio-Visual Device, Procurement of

REFERENCE : Mobile Audio-Visual Device File Possession of Assistant to the Director

25X1

1. This memorandum refers to the procurement of a pilot model mobile audio-visual device from [redacted]

2. The requested mobile audio-visual device with its component parts is listed on a copy of a requisition which is in the possession of the Assistant to the Director.

3. Pending the certification of R&D as to the reasonableness of the proposal our OTR is satisfied with the design of the unit as a pilot model and desires to have the contract negotiated.

4. A memorandum has been sent to Acting Chief, TSS, Attention RDD/APB requesting them to evaluate the proposal for the production of one such experimental unit. [redacted] and I spoke with [redacted], RDD/APB, in regard to this second proposal. After examining the proposal, [redacted] felt he could write a memorandum similar to his memorandum of 4 April 1952, accepting the proposal as submitted providing a request was written to his office.

25X1

5. The reason this request has been directed to [redacted] is that many of the ideas proposed are original with [redacted] Other sources such as:

[redacted]

were checked to see whether they could produce a tape recorder which would feature dual recording with playback and recording taking place simultaneously. None of the firms above has available such a unit.
